

May I take your Order!

Welcome to the Holyoke Public Library Curbside Service.

As Massachusetts businesses start to re-open with a phased-in approach, during Phase 1 we will be preparing for getting library materials into your hands with our **Curbside Service**. We will continue to prepare for next phase of opening some of our public service areas for walk-in transactions. For specific, up-to-date information on the hours, available access and services, visit our library [website](#). Please check back frequently as this information may change periodically.

To help us serve you better, please use this for to place your library items order.
